Contact us at Houston Marine about available training funds through the Incumbent Worker Training Program (IWTP).

This program is designed to benefit businesses, by assisting in the skills of existing employees, increasing productivity and growth of your company. These improvements are expected to result in the creation of new jobs, the retention of jobs that may be otherwise eliminated, as well as increase in wages for your trained workers.

This funding is provided through the Louisiana Department of Labor- Workforce Development Training Fund.

To be eligible:

Must have operated in the State of Louisiana for at least three years.

Paying Louisiana Unemployment Tax.

Employ at least fifteen persons.

Upon submitting your training application, it will be reviewed by the IWTP staff to assure the programs you are requesting are suitable for your company needs. Training maybe customized to your company needs, if Houston Marine cannot fulfill all your training needs, we will assist in securing additional facilities or vendors to provide you with your training needs. Applications are then approved for training by the Secretary of the Department of Labor and the Office of Contractual Review. Once this process has been approved, training may begin and payments for the training will be made directly to the training provider by the LA Dept of Labor.

Training may be offered at the site of a training provider, such as Houston Marine, or can also be provided at your location, depending on the particular needs of your training.

If you are located outside of Louisiana and are interested in this program contact us to see if your state participates.
